Methfessel & Werbel Named 2024 Insurance Litigation Department of the Year by the New Jersey Law Journal

The New Jersey Law Journal has once again named Methfessel & Werbel New Jersey's top insurance law firm, making the firm an unprecedented ten time winner. This is the tenth time in the twelve year history of the award that the firm has won.

"Accolades are not essential, but they certainly are appreciated," stated [Eric Harrison](#), one of the firm's managing partners. "Our mission to advance the interests of the insurance and managed risk industry has been consistent since the firm was founded in 1972. We now have close to 50 lawyers and more than 100 support staff continuing this mission, and we are incredibly proud to be recognized for this for the fifth straight year by our clients, our peers, and the Law Journal."

Methfessel & Werbel is one the longest standing firms and the preeminent insurance law firm in New Jersey. The firm serves clients ranging in size from mono-line program carriers and Managing General Agents to Fortune 500 multi-line carriers and self-insureds. M&W has never

strayed from its core mission to serve the needs of the insurance and managed risk industry since its founding in 1972.

No firm over the past 52 years has had a greater impact on the development of law affecting insurance carriers in New Jersey. Hundreds of cases litigated by Methfessel & Werbel have culminated in written opinions at all levels, including trial and appellate courts, the New Jersey Supreme Court and the U.S. Third Circuit Court of Appeals. The firm has represented parties in over 200 cases that have yielded published decisions from state and federal appellate courts, as well as several hundred unpublished decisions. In the last five years M&W has represented parties in more than 150 written judicial decisions, including more than 50 at the appellate level.

Our team pursues excellence with integrity in its mission to serve our clients every day. To learn more, visit the firm's website at <http://njinslaw.com>.
